

Alcohol, drugs and gambling at work policy

AGORA
LEARNING
PARTNERSHIP

DATE FIRST ISSUED: September 2018

DATE LAST REVIEWED: November 2021

NEXT REVIEW DATE: November 2024

APPROVED BY: Board of Trustees

APPROVAL DATE: December 2021

1 Scope and objectives

- 1.1 The Trust is committed to providing a safe and productive work environment and to promoting the health, safety and wellbeing of its employees.
- 1.2 Alcohol and drug misuse has a detrimental effect on health, influences work performance and employee relationships, reduces efficiency, increases sickness absence and increases health and safety risks not only for the individual concerned but also for others, for example colleagues, pupils, parents and contractors.
- 1.3 Compulsive gamblers, unlike most casual gamblers who stop when losing or set a loss limit, are compelled to keep playing to recover their money which is a pattern that becomes increasingly destructive over time and risks the ongoing employment relationship through financial problems including bankruptcy, legal problems including imprisonment, poor work performance and relationship problems with colleagues.
- 1.4 The policy applies to all employees of the Trust. This policy does not form part of any employee's contract of employment.

1.5 This policy is supported by and should be read in conjunction with other Trust policies, particularly; Health and attendance, Leave of absence, Disciplinary and Code of conduct.

1.6 This policy is not intended to apply to “one off” incidents or offences caused by alcohol or drug misuse at or outside work where there is no evidence of an ongoing problem and which may damage the Trust or school’s reputation and which will be dealt with under the disciplinary policy and procedure.

2. Purpose

2.1 This policy covers the use and misuse of intoxicating substances, which include alcohol, solvents, legal and illegal drugs, prescription and over the counter medicines and other substances that could adversely affect work performance and/or health and safety. It also covers gambling addiction.

2.2 It is the Trust’s policy to:

- Promote a responsible attitude to the consumption of alcohol and gambling
- Prohibit gambling, the taking of illegal drugs or alcohol during working hours
- Offer help and support to those with an alcohol, drug related or gambling problem
- Treat addiction to gambling, alcohol and/or drugs as a health problem and arrange for employees to seek professional advice

3. Definition

3.1 Drug misuse refers to the use of illegal drugs and the misuse of prescribed drugs and substances such as solvents, which change the way the body works or feels

3.2 Alcohol misuse is defined as a level of consumption which affects an employee’s ability to carry out their duties.

3.3 Compulsive gambling/gambling disorder is the uncontrollable urge to keep gambling even when something of value is at stake, such as a relationship or work.

4. Employee responsibilities

- 4.1 All employees are expected to ensure that their personal consumption of alcohol or use of prescribed drugs does not interfere with their ability to perform their duties safely and competently.
- 4.2 Any employee suffering from gambling, drug and or alcohol addiction should declare such dependency to their line manager
- 4.3 Employees are responsible for allowing sufficient time for intoxicating substances to leave their system before reporting for work; this can apply to the next day.
- 4.4 Employees are forbidden from gambling, consuming alcohol or taking illegal drugs at any time during the working day (including breaks). Employees must not use Trust or school property for on-line gambling.
- 4.5 Exceptions apply to prescribed drugs for the individual or over the counter medicines used for their intended purpose (in accordance with the instructions given by the prescriber, pharmacist or manufacturer) and where the safety of the individual or others with whom they come into contact is not compromised. Employees must notify their line manager if the medication is likely to cause side effects prior to its use.
- 4.6 The Headteacher (or CEO for the central team) must be informed in all cases where Class A drugs have been prescribed for medical use.
- 4.7 All employees have the duty to report any concerns relating to any breach of the principles in this policy to ensure a safe environment and in recognition of a duty of care for others. All reports should be made to a member of the senior leadership team.
- 4.8 Any breach of employees' responsibilities under this policy are likely to be dealt with in accordance with the Trust's Disciplinary Policy and

5. Possession or dealing in drugs

- 5.1 Possession or dealing in drugs should be reported to the Police immediately. The Trust will give reasonable consideration, before taking any action, to making a referral to the Local Authority Designated Officer. The

Trust should not alert the employee of their intention to call the police and should avoid sending them home until advice has been sought.

6. Driving bans related to drugs and/or alcohol

6.1 Where employees are required to drive as part of their conditions of employment and are disqualified from driving as a result of an alcohol or drugs related offence, the Headteacher (or CEO for the central team) may consider redeployment, if appropriate within school/Trust. If redeployment within school is not an option then the employee's continuing employment may be at risk.

7. Consumption of alcohol on social events, school trips etc.

7.1 Whilst this policy stresses that the consumption of alcohol during the working day, including breaks, is forbidden, there may be circumstances where the consumption of alcohol may be permitted at the discretion of the Trust Board or Academy Governing Board. It is the responsibility of the appropriate Board to clearly define the occasions when the sensible consumption of alcohol will be permitted e.g., staff social events. Clear guidelines must be put in place so that all employees are fully aware of what the expectations are for the consumption of alcohol at such events and the consequences of a breach of such guidelines e.g. investigation under the Trust's disciplinary procedures. Employees must demonstrate responsible behaviour and remain professional throughout any social event where, despite alcohol being present, the employee is considered to be "at work".

Appendix 3 – Support Groups

Organisation	Details	Telephone	Website
HSE (Health & Safety Executive)	Useful section on drugs and alcohol in the workplace	N/A	www.hse.gov.uk/alcoholdrugs/links.htm
Alcohol Change UK	A national charity working to reduce the incidence and cost of alcohol misuse and improve services to those with alcohol misuse problems.	020 3907 8480	www.alcoholchange.org.uk
