## 1. Introduction

- 1.1** This policy is in place to minimise the risks to the Trust and schools through use of social media. This policy does not form part of any employee's contract of employment and it may be amended at any time. The Trust may also vary this policy as appropriate.
- 1.2** This policy deals with the use of all forms of social media, including Facebook, LinkedIn, Twitter, Google, Wikipedia, Whisper, Instagram, Vine, Tumblr and all other social networking sites, internet postings and blogs. It applies to use of social media for business purposes as well as personal use that may affect the school in any way.
- 1.3** This policy covers all employees, consultants, volunteers, and agency workers across the Trust.

## 2. Compliance with related policies and agreements

- 2.1** Social media should never be used in a way that breaches any other policies. If an internet post would breach any policy/ procedure in another forum, it will also breach them in an online forum. For example, employees are prohibited from using social media to:

- breach the code of conduct for employees
- breach the obligations with respect to the rules of relevant regulatory bodies
- breach any obligations contained in school policies and the Data Protection Act relating to confidentiality
- breach the disciplinary policy and procedure
- breach the bullying and harassment policy
- breach the data protection or data security policy

**2.2** School employees should never provide professional references on behalf of the school for other individuals without the express authority of the Headteacher, including on social or professional networking sites, as such references, positive and negative, can be attributed to the school and create legal liability for both the author of the reference and the school.

**2.3** Central team employees should never provide professional references on behalf of the Trust for other individuals without the express authority of the Chief Executive Officer, including on social or professional networking sites, as such references, positive and negative, can be attributed to the school and create legal liability for both the author of the reference and the school.

### **3. Personal use of social media**

Personal use of social media (that which is not related to your job role) is never permitted during working hours. All employees should note that use of our computers, networks and other IT resources and communications systems for social media or any other use must be appropriate and follow the Trust's **Online safety policy** and the **Online Safety Acceptable Use Agreement** of the school/Trust (see also section 4 below).

### **4. Prohibited use**

**4.1** Employees must avoid making any social media communications that could damage the Trust or school's interests or reputation, even indirectly.

**4.2** Employees must not use social media to defame or disparage the Trust, school, its employees or any third party; to harass, bully or unlawfully discriminate against staff or third parties; to make false or misleading statements; or to impersonate colleagues or third parties.

- 4.3 Employees must not express opinions on the Trust or school's behalf via social media, unless expressly authorised to do so.
- 4.4 Employees must not post comments about sensitive Trust/school-related topics, such as the Trust or school's performance, internal disputes involving pupils, parents or employees or do anything to jeopardise the Trust or school's confidential information particularly with regards pupils and other employees. Employees must not include the Trust or school's logo or other trademarks in any social media posting or in the employee profile on any social media.
- 4.5 Any misuse of social media should be reported to the Chief Executive Officer or headteacher.

## **5. Business use of social media**

- 5.1 If the employee's duties require the employee to speak on behalf of the Trust or the school in a social media environment, the employee must still seek approval for such communication from their manager who may require the employee to undergo training before the employee does so and impose certain requirements and restrictions with regard to the employee's activities.
- 5.2 If the employee is contacted for comments about the Trust or school for publication anywhere, including in any social media outlet, the enquiry should be directed to the Chief Executive Officer or Headteacher and the employee should not respond without written approval.
- 5.3 The use of social media for business purposes is subject to the remainder of this policy.

## **6. Guidelines for responsible use of social media**

- 6.1 Employees should make it clear in social media postings, or in the employee's personal profile, that the employee is speaking on the employee's own behalf.
- 6.2 Employees should be respectful to others when making any statement on social media and be aware that the employee is personally responsible for all communications which will be published on the internet for anyone to

see. Employees should ensure that they use privacy and access settings whilst being aware that they cannot control the use of their postings by others.

- 6.3 The employee should also ensure that their profile and any content they post are consistent with the professional image the employee presents to colleagues, pupils and parents.
- 6.4 If the employee is uncertain or concerned about the appropriateness of any statement or posting, they are advised to refrain from posting it until they have discussed it with their manager.
- 6.5 If the employee becomes aware of social media content that disparages or reflects poorly on the Trust or the school, the employee should contact the Chief Executive Officer or Headteacher.

## **7. Monitoring**

- 7.1 The school reserves the right to monitor, intercept and review, without further notice, employee activities using school IT resources and communications systems, including but not limited to social media postings and activities, to ensure that school rules are being complied with and for legitimate school purposes.
