Playground

Playground

All of our learning is Amazing.

Lessons are Laughter and our Learning
to.

Break is merry our Books are colourful
and we Learned bones.

Assemblies are unbelievable our
attempts are amazing.

Notes are NOT recorder

It nice to be in this school.

We win competitions and sometimes
have a trophy.

Occasions in history and geography

Objects all around us

It is fabulous

A amazing interesting lessons

Lessons are astonishing

Break-time fun with fantastic equipment

Ambitious work

Notes for ReOrder

Working is awe-inspiring

Optimistically beginning each day

O^{cean}_{om} octopodes jellyfish in science

Dana T is inspiring

A W provides reading books and records

Lessons in maths funny sometimes

Brilliant wesc collars in DT

And great new equipment in the playground

Not to mention we are designing rockets in ICT

Wonderful experiments in science

Organised time table to tell you what to do

Outstanding handwriting

Daily exercise is good for you

A ~~some~~ awesome lessons

Learning is amazing

Brilliant Maths

Assembly ~~are~~ outstanding

Notes for recorder

Wesekh collans are interesting

Oceans to find on the map

Om's story from stone age

Dn.T is decorative

Ambitious and fun learning.

Lessons and study.

Balanced diet.

Assembly and playful PE.

Notes for recorder.

Wesekh collars in DT.

Octopus and handwriting.

Optimism and bravery.

Delicious lunch and fabulous break.

Ambitious class assembly

Lesson are for learning

Balanced diet in science

Asssemblies are awe-inspiring

Notes for recorder can be sweet

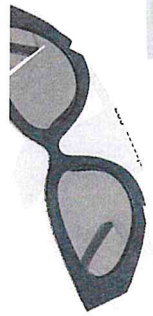

We are all winners on sports day

Octopus for a non-chronological report

Optimism is one of our values

Design technology can be interesting

Football

We have won most of our matches and hope to win more our school do all sorts of teams like a girls team, a boys team and a mixed team.

our world book day was a fun activity this year we all dressed up and the teachers also dressed up

These people did a play called Jack and the bean stalk. They brighten up everybody's day.

ALBAN WOOD PRIMARY SCHOOL!

Outstanding

Delightful

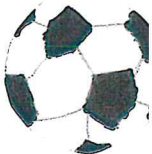

Alban wood is a brilliant, well - rounded school. We are fantastic at everything we try. English is so intriguing. Year 6 our topic of A Monster Calls which we also link to whole class reading. Maths is another one we love, there are just so many things to go through such as: decimals, percentages, fractions, rounding, money and much more! We love sports and are great at showing are three values: respect, kindness and ambition!

Every year each year group goes on a special school trip for a whole day (unless if you are in Year 6 and you go on the residential trip. In the picture below below was the current year 6's last year on our trip. We went on a boat in our groups and spotted out nature. We really enjoyed ourselves and we were are excited for our two upcoming trips!

In both playgrounds we have apparatus! Also we have a field in the KS2 for the summer and have a gazebo to chill out and get some shade. We have football goals and basketball nets we have equipment to play with not silly things! In a different area we have a pond where we can climb trees not too high and adults are always around to make sure we are safe!

For our curriculum in P.E. it's a variety with different sports! We have days where we go out like tag rugby tournaments, tri golf and running competitions. Outside of school we have teams: netball and football teams which are mixed.

our school was founded in 1st August 1805 by and had lasted 18 years! and has found its place in the best school in herefordshire

Outdoors
 Outside we have 2 farms, one filled with lush flowers and one with 3 quinnia pigs. In the past we have had goats, chickens and rabbits as well. On the field we have an outside learning area (the geseibo) and on the playground we have equipment.

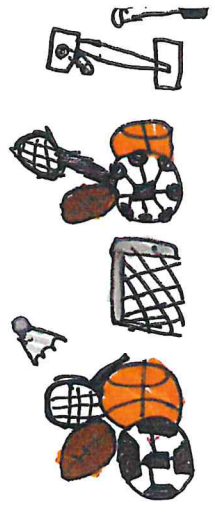

Teachers
 Mrs Pinder, Head of school, in charge of head girl, head boy, school council and house captains.
 Mr Spector, Executive head of school, in charge of keeping the school safe.

Optimism each day of the week along with the choice of pork lunch and jubbak potato. We source the finest food from Chockwell.

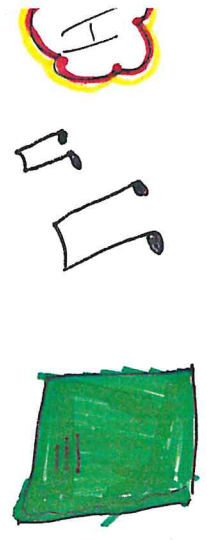

Our School Poem
 Like at school can be tough,
 but our wellbeing team can assure that you are enough.
 The curriculum spans from number bonds to substantiating clauses
 but don't worry, there will be pauses,
 to get a grasp,
 of this tricky learning at task.
 If you have a question,
 just ask!
 If you come here you will have a great guide.
 (Unless you come in late!)
 - Sophie Manita. Y6 and 3.

Here in about wood we run a summer team, we play formally fun games in our class joins in and we have a fun time

Curriculum
 We have a wide range of throughout the school such as English, maths, science, PSHCE, PE, languages, RE, History and more.

Clubs
 Alban Wood's club includes club, football club, handball club, gymnastics, there is also tutoring, and some also, some more.
