Warren Dell Primary School

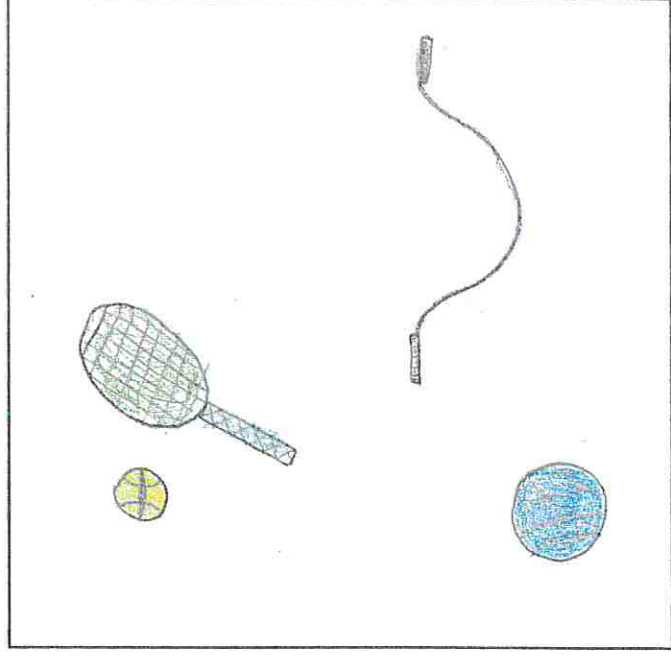

At Warren Dell every day matters. Older or younger every child thrives in this school. Everyone plays with whoever and take care of others. We are wonderful staff and a marvellous and teacher called Mrs Morley. She always makes sure that everyone gets what they need. The ways that teachers and make learning fun is astonishing. Students love it here. There not only trying to make learning fun but they also organise lots of educational ops. We cant wait for the next one. We also have delicious food being made by astounding cooks.

Physical Education

For pe. we have wonderful members of staff to help us to be fit and healthy. We believe that it is important to do sports in school and take care of ourself. Each year we have a sports day in order to see how much we have improved. We all also get a chance to win meddals!

Our Playgrounds

In key stage two we have a one mile running track with an adventure trail. All of us are lucky enough to even have a basketball court!

Darius

Warren Dell Primary School.

Warren Dell Primary School is a great school with very kind teachers and education hungry student. Here in Warren Dell we feel safe and happy. We all think that this is a perfect

learning environment and personally I have no complaints what so ever.

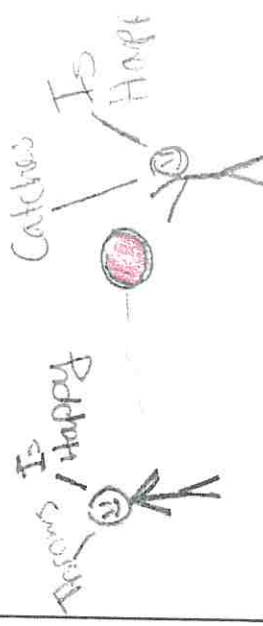

At Warren Dell we have all the learning resources we could ever need and

if you ask anybody how great our school is they will guarantee it's a great school.

We think other young people should join us in or Warren Dell family and have just as much fun as us. We accept everyone from anywhere and treat every body how they should be treated.

Playing Catch

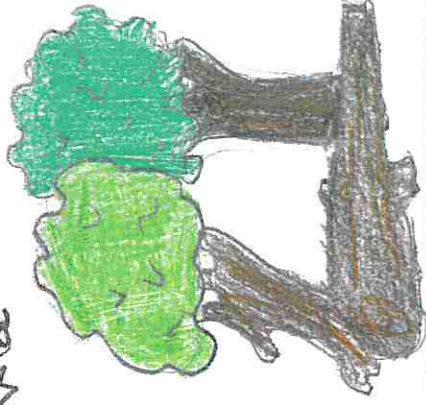

We trust our adults at Warren Dell and they trust us too. We are kind and respectful to our teacher and they are kind and respectful to us in return to. I love this school.

Warren Dell Primary School

It is proven that Warren Dell is a great school and that Mrs. Morley (our exquisite head teacher) is giving great care of us. We thrive in this vibrant school, where every day we learn something new, and younger pupils respect their mother. This school's most important priorities are: getting what pupil needs want, making sure that pupils are treated fairly and they are safe. At the moment these independent children step foot into this school they live and breathe the marvellous values of this school, quickly they develop their positive attitudes.

Warren Dell

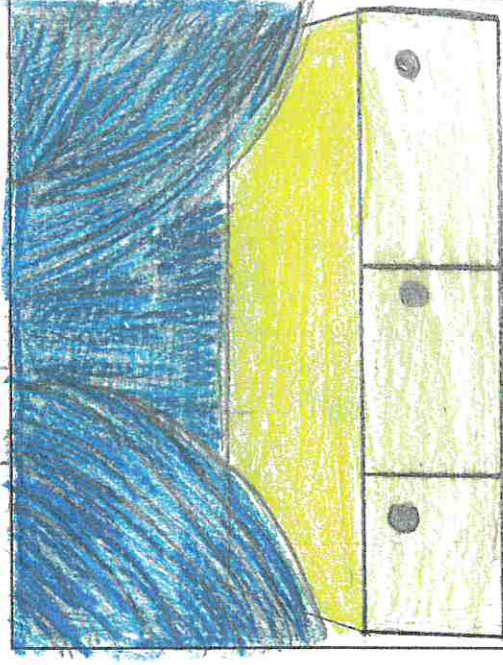

Teachers in Warren Dell

Teachers here have the most high expectancy for what pupils can achieve not only that but teachers treat children fairly and deal with any type of conflict and argument. Due to them, pupils are allowed to thrive and bloom here.

Why children think that your children/child should go to this brilliant school.

We think that your child/children should attend this school because here they could be safe and well-educated, which is one of the most important priorities in the world.

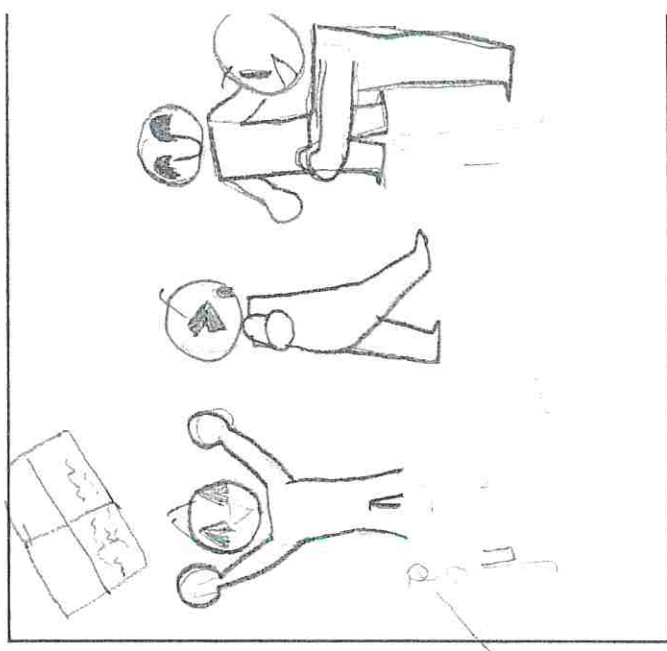

At WarrenDell.

Pupils thrive at this vibrant school, at Warren Dell everyday is fun! We get challenged with new fun lessons everyday. At the start before every-one arrives we have breakfast club when we

learn maths and have cereal bars, its very fun. Children are very well behaved at warrendell. The children who have different needs will get the things that they need to be focused during lessons. Everything at this school is fair.

PE

In PE we do dance, circuits and making my footprint. It's very fun for us and we have alot of team games, we try our best to work together and encourage each other.

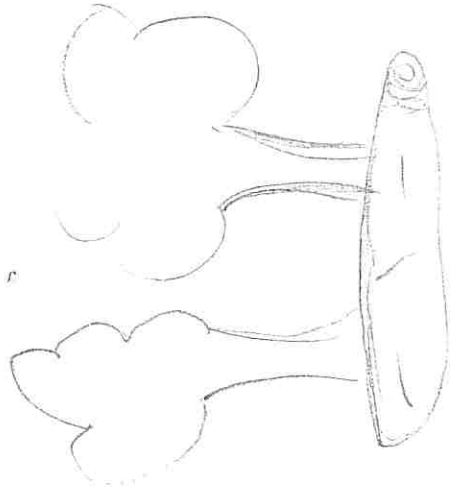

Fun lessons we learn.

We learn about so much! They find the best way to teach us, the teachers find easier way to explain when were finding things hard. Every Thursday year 6 has a spag club and get to eat delicious food while learning!

Varren Dell Primary School

Varren Dell is a very educational and exquisite school. In this school we all get treated fairly and we all show respect to each other. Pupils thrive at this school, where "every day matters" for and younger pupils play together with enthusiasm and care. We have wonderful staff and a fabulous head teacher called Mrs. Hey. She makes sure we get what we need and not what we want. The teachers here teach us a very great way. They also ask us lots of "Fips" every day.

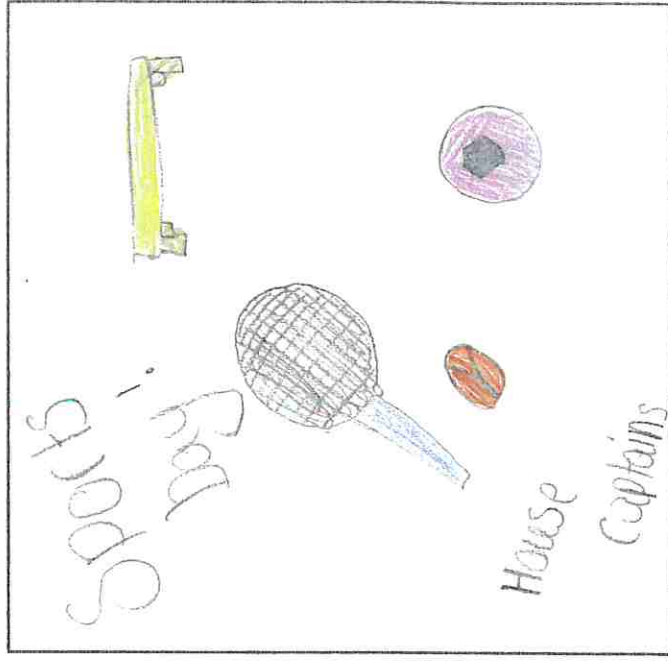

Physical education

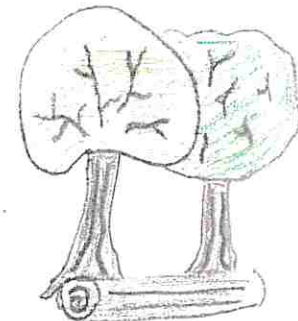

For P.E we have teachers that teach us a range of sports to get us fit and healthy. On Sports day House Captains prepare and give ideas on how and what to do on the day.

Why more children should come to this school.

We think that more children should come to this school because it is educational and is a very safe school.
